NAATBatt Webinar:

Developing a Supply Chain
for Lithium-Ion Batteries
in North America.

Friday, April 16 9:15am-5:00pm EDT

[< BACK TO MAIN PAGE](#)

Webinar AGENDA:

Friday, April 16, 2021

9:15 – 10:00 a.m.	Li-Ion Cell and Pack Manufacturing	Margaret O’Riley Duke Energy Cam Dales Evonix Shailesh Upreti iM3NY
10:30- 11:15 a.m.	Raw Energy Materials Production	Jon Cherry PolyMet Mining Jonathan Weisgall Berkshire Hathaway Energy. Henri van Rooyen Talon Metals
11:45-12:30 p.m.	Processing Energy Materials	Alex Grant Jade Cove Partners Austin Devaney Piedmont Lithium Tent Mell First Cobalt
1:00 – 1:45 p.m.	Manufacturing Cathode and Anode Materials	Carlos Helou Borman Specialty Materials Joe Fisher Lithium Werks B.V.

2:15 – 3:00 p.m.

Recycling and Reusing Li-Ion
Batteries

Todd Coy
Retriev

Kunal Phalpher
Li-Cycle

Ahmad Pesaran
NREL

3:30-5:00 pm

Interactive Roundtable Discussion

David Howell
U.S. Department of Energy

Get Involved

Speaking Opportunities

NAATBatt Member companies are provided with multiple speaking opportunities at workshops and conferences

Sponsorship Opportunities

Sponsorship of NAATBatt events and workshops provides excellent exposure for member companies

Site Visit Hosting

Select NAATBatt Member Companies host onsite facility tours and make product introductions to attending members

Exhibit Opportunities

Member Companies can put their products in front of industry decision makers at the Battery Product Expo and other sponsored events
